

## **Pinnacle Middle East**

**Introduction:** Pinnacle Middle East (PME) registered as an establishment under the laws of Abu Dhabi. It is a 100% UAE national owned company.

**Activities:** Pinnacle Middle East (PME) provides recruitment and manpower hiring services to the Oil and Gas sector, Power sector and the Civil Construction sector in the Middle East and India.

As part of recruitment services, upon receiving client requirements, PME can provide following services.

- search for suitable candidates and provide short listed CVs to clients.
- arrange interviews.
- assist in salary negotiations.
- provide documentation of selected candidates for visa processing.
- coordinate for the mobilization of the candidate.

Also PME provides manpower hiring services where personnel are on PME payrolls and work in client offices under manpower hiring contracts.

**Sectors Served:** We provide recruitment and manpower hiring services to the following sectors.

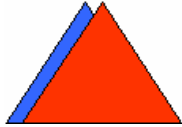

- Oil & Gas sector.
- Power sector.
- Civil Construction / Infrastructure sector.

We specialize in serving Engineering and Consultancy companies in above sectors and particularly in providing following category of personnel:

- Design Engineers (all disciplines).
- Designers / Draftsmen (all disciplines including PDS/ PDMS/ AUTOCAD/ MICROSTATION).
- Project Services Personnel (Project Managers, Planning Engineer, QA/QC, HSE, IT, Procurement, Contracts, Cost Control, Document Controller, Secretaries, etc.).
